synopsis:

In our world today, we are bombarded by words and images that can drive us away from an eternal perspective. It's easy to ignore the soft whisper of Christ's words when the world is calling us to do what feels good.

This short video clearly contrasts the disconnect between the lies of the world and the truth of Jesus Christ. For believers and non-believers alike, it will touch your heart and point you to the Cross. The world is constantly telling us to do, do, do. If the gospel of Jesus Christ were summed up into one word, it would be done.
