

THE LIFE

EMBRACING THE LIFE OF A CHRIST-FOLLOWER

SCOPE AND SEQUENCE

The call to faith in Christ is a call to action. It's a call to a transformed life, a life that has a specific look to it. This life is called discipleship. And it's the expected path of all who come to faith in Jesus.

The call to saving faith is a simultaneous call to follow Jesus in a lifetime of devotion. There really isn't any other option. The idea that we could know Jesus but live unchanged lives isn't biblical. The picture of biblical faith is the picture of life daily lived in relationship with God. It's a life of discipleship. Of "followership." And *The Life* will help your students know exactly what the call to follow looks like.
